- Monthly drafts are processed on the 5th of each month. Services are done in advance so if you cancel before the services performed are paid for you will be responsible to cover the remaining balance.
- I do understand that the monthly draft will continue after the 1st year of required membership until written notice of termination is received at the corporate office.
- If you cancel your membership within the 1st year there will be a \$150 cancellation fee plus any remaining balance.
- If you have a scheduled appointment and do not show or cancel within 24 hours you will forfeit the service.
- System must be operating properly to keep under maintenance agreement.
- Customer is responsible for all banking fees on returned checks.
